DB1 Heavy Duty

The DB1 Heavy Duty is an innovative, folding bariatric wheelchair that is designed with many ultra-strengthened and reinforced components, which are strong yet lightweight to enable it to be rated for users up to 200kg whilst still achieving a wheelchair weight of just 23kg.

The DB1 Heavy Duty is available in up to four different seat widths and has multiple features to ensure user comfort, safety, and security including impact suppression, reinforced side panels and the Greencare lap strap.

Standard Features

- Greentyre puncture proof tyres
- Ultra soft, easy-to-clean seat & backrest upholstery
- Flip-back armrests
- Folding backrest
- Removable legrests
- Double cross brace
- Memory foam cushion
- 110° swing away footrests
- 10° backrest
- 20", 22", or 24" / 508mm, 560mm or 610mm quick-release, self-propelling wheels
