Easy1 – Self-propel

The Easy1 Self Propel wheelchair is a lightweight aluminium folding wheelchair ideal for occasional use.

A modern stylish design with removable footrests and folding back posts makes transportation and stowage trouble-free.

The Cushioned seat with its adjustable back and breathable membrane makes it a comfortable environment to be seated in, and the swing away footrests and flip back arms make transitioning as easy as possible.

Standard Features

- Tension adjustable back for postural control and comfort
- Flip back arm rest
- Folding backrest
- Lap belt
- Attendant brake & parking brake
- Vanity flap
- Calf strap
- Rear pocket
- Adjustment tool

Features

lightweight aluminium
ideal for occasional use.

Tension adjustable back
for postural control and
comfort

Available in 4 size variants
for a range of users
